SHORT COLLECTION 2025

In this brochure, only a part
of our equipment is featured.
Visit the Catalog section of our website
for the complete list and contact us
for more information.

Please Note: The actual colors of all products
may vary slightly in photos.

We invite you to visit our showroom
to view and select
the equipment in person.

RENTAL PROCEDURES

Contact us via email, by phone, or through our website to receive all the information you need. We will prepare a personalized quote based on your requirements. No obligation!

To confirm your order, simply countersign the quote and make a **50% payment**. The balance of the rental will then be due 4 working days prior to the event. Send us a copy of the payment and the signed quote via email, and you're all set!

Please Note: We work with pre-established packaging for plates, cutlery, and glasses. These are fixed packages that cannot be separated; therefore, often the quote will include more quantities than those requested per piece.

The delivery has two options:

1-Delivery by us: it will be calculated based on the mileage and the necessary vans. We will agree on the delivery in advance. We unload the equipment where the van arrives; therefore, any relocation of the equipment, if done by us, is quoted as a handling service.

2.Customer Pickup: Using suitable means and adhering to the following schedule: pick up the morning of the event, return the following day. Any delay will result in the cost of an additional day of rental.

Studio GMC **delivers the items clean and collects them dirty**, also requesting a security deposit from its customers. After the equipment is returned to our warehouse, it undergoes washing, inspection, and verification.

In case of identified breakages or highlighted deficiencies, a debit note will be issued. The deposit will be refunded after the customer settles the debit note or in the obvious case where there are no qualitative discrepancies compared to what was delivered.
